

# Contributions or Spendings on Public Affairs

As an international corporate citizen, ASEH endeavors to advance public welfare while we devote ourselves to business operations and shareholder benefit. We seek to effect positive change and impact across the globe society. Where permitted by laws, ASEH supports organizations which have a consistent view with ASEH's priorities on specific issues and provide venues for important discussion regarding public policy issues and opportunities to advocate for common business interests. We are committed to ensuring that any contributions or spending we make are for the purpose of supporting the public affairs, compliance with all applicable regulations of all countries in which we operate, adequately disclosed in accordance with applicable regulations and reporting requirements, and in accordance with our relevant ethical policies and specifications.
